Announcements

Security Council

Daily informal briefings

As from Tuesday, 4 April 2006, and for the rest of the month, the presidency of the Security Council will conduct informal briefings daily on the current work of the Council for Member States of the United Nations, which are non-members of the Council, except on days on which no informal consultations are scheduled. The briefings will take place immediately following the adjournment of the informal consultations.

Prepared statements

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters and verbatim reporters in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Council Chamber.
